## -hp- MODEL 3570A NETWORK ANALYZER

Serial Numbers: All

### REPLACEMENT PART NUMBERS FOR LED DISPLAYS

The LED displays (-hp- Part No. 1990-0329) used in the 3570A Network Analyzer come in seven different brightness categories. Replacement part numbers for each brightness category are listed below. The category is identified by a letter on the back of the display.

| Brightness Category |           | Replacement Part Number |
|---------------------|-----------|-------------------------|
| A                   | Dimmest   | 1990-0497               |
| B                   |           | 1990-0499               |
| C                   |           | 1990-0502               |
| D                   |           | 1990-0504               |
| E                   |           | 1990-0506               |
| F                   |           | 1990-0508               |
| G                   | Brightest | 1990-0510               |
