Agilent Technologies

Situation:

The Quality issue is caused by a Test Software defect which caused a False Pass judgment. Agilent Service and Support corrected the Power Supply Test Software and installed it on all Test Systems by 31st July 2012,

Solution/Action:

1. Agilent will send a customer letter to all affected customers.
2. Customer, please contact nearest Agilent Customer Care Center and send instrument to Agilent for free calibration.
3. Agilent WCSS Service & Support to calibrate affected products at Agilent's expense.
4. After re-calibration Agilent to send the instrument back to the customer.
