Parts Required: None

Situation:

We already stop to bundle E3160-61691 USB Extension Cable because it is not necessary for tester installation requirement. But, E3160-61691 has shipped with applicable S/N of 4070. If install it, keyboard/mouse of system controller may hang-up.

Solution/Action:

Cast away E3160-61691, and do not install it.

If you need USB extension cable, use repeater type one. (Do not use HUB type.) But we don't recommend extending USB cable.
