Rev. 16

N5102As were shipped to Japan without the proper “PSE” mark on the power supply module. This service note provides free replacement of the module with one with the proper “PSE” marking for Japan customers only.

Parts Required:

P/N	Description	Qty.
0950-4540	Power module	1

Situation:

N5102As were shipped to Japan without the proper “PSE” mark on the power supply module. This service note provides free replacement of the module with one with the proper “PSE” marking for Japan customers only.

Solution/Action:

Replace customer power supply modules with a module with the correct marks. Notification of customers will be accomplished by the Japan Field Quality team.
